Parking and collecting pupils at the end of the Academy day

Please can I ask that all parents/carers consider pupil safety and local residents when you drive to the Academy to collect your child at the end of the Academy day. There has been a large increase in the number of parents collecting children by car and this has on occasion blocked access to the school and created issues of safety by pupils having to leave school and navigate themselves around vehicles.

Warwickshire County Council have placed yellow school markings along the section after Rossendale way leading up to the school gates, these lines mean that no vehicle should be parked in this area during, before and after school. **Warwickshire Police have informed me that they will issue Fixed Penalty Notices for any vehicle parked in this area, and therefore I would urge all parents to consider where they park using other parts of Radnor Drive or Rossendale way.**

Parents/Carers are reminded that you should not use the main gate to access the site in a morning between 8.00 a.m. and 8.45 a.m. and from 3.10-3.30 p.m. in the afternoon.

Thank you for your support in this matter.

Yours sincerely,

Lara Hall
Principal
