Reading

From years 7-10, our students enjoy a rich selection of age-appropriate reading – from modern genre fiction to the classic novels which have defined literature through time.

We read because:

- It exposes us to the shared thoughts, feelings and ideas that make us human.
- It helps us hone a key life skill – the ability to read and comprehend.
- Reading makes us more successful – research consistently demonstrates a clear link between reading ability and attainment in all subjects.
